Chapters 31-47 and 31-47.4 of the Rhode Island General Laws require that you maintain liability insurance on vehicles registered in Rhode Island. In order to prevent the revocation of your vehicle registration privileges, you must take one of the following actions before the DUE DATE:

1. If the vehicle has **CURRENT LIABILITY INSURANCE** or you **OBTAIN LIABILITY INSURANCE**, you must contact your insurance company or agent to have your insurance information submitted to RIIVS using the www.RIIVS.com website and the reference number at the top of this letter.
2. If liability insurance has been suspended and the vehicle is not being operated on a road (**SEASONAL USE, OUT OF SERVICE, or ACTIVE MILITARY RIGL 31-47-15.1 AND 15.2**), you must contact your insurance company or agent to have your insurance information submitted to RIIVS using the www.RIIVS.com website and the reference number at the top of this letter.
3. If the vehicle has been **SOLD**, or **REGISTERED OUT OF STATE** please turn in the plates to your nearest RI DMV branch before the DUE DATE. If you no longer have possession of the plates, please submit an Affidavit for Cancellation of Registration for Lost Plates at the RI DMV Office or online at www.dmv.ri.gov/insurance/lostplate.php
4. If you do not wish to obtain liability insurance, Rhode Island law requires that you cancel your registration and surrender your vehicle plates at your nearest RI DMV branch office before the DUE DATE.

Failure to respond to this notice by **11/27/2019** will result in the revocation of your vehicle registration. If revoked, you will be charged **\$252.50** (inclusive of technology surcharge) to reinstate your registration privileges. If you have questions regarding this notice please contact RIIVS Customer Support at support@riivs.com or (855) 744-8722.

PLEASE NOTE: if your registration is revoked, you will not be able to obtain or renew a Rhode Island driver's license and obtain or renew any and all registrations.
