1. If the vehicle has **CURRENT LIABILITY INSURANCE** or you **OBTAIN LIABILITY INSURANCE**, you must contact your insurance company or agent to have your insurance information submitted to RIIVS using the www.RIIVS.com website and the reference number at the top of this letter.
2. If liability insurance has been suspended and the vehicle is not being operated on a road (**SEASONAL USE, OUT OF SERVICE, or ACTIVE MILITARY RI GL 31-47-15.1 AND 15.2**), you must contact your insurance company or agent to have your insurance information submitted to RIIVS using the www.RIIVS.com website and the reference number at the top of this letter.
3. If the vehicle has been **SOLD, REGISTERED OUT OF STATE**, or your **PLATES ARE LOST or STOLEN**, go online to cancel your registration prior to the Due Date in this letter. Plates can be cancelled at https://www.ri.gov/DMV/cancel_registration
4. If you do not wish to obtain liability insurance, Rhode Island law requires that you cancel your registration. Plates can be cancelled online at https://www.ri.gov/DMV/cancel_registration. Plates must be cancelled before the Due Date in this letter to avoid revocation.

Failure to respond to this notice by **02/05/2023** will result in the revocation of your vehicle registration. If revoked, you will be charged **\$252.50** (inclusive of technology surcharge) to reinstate your registration privileges. If you have questions regarding this notice please contact RIIVS Customer Support at support@riivs.com or (855) 744-8722.

PLEASE NOTE: if your registration is revoked, you will not be able to obtain or renew a Rhode Island driver's license and obtain or renew any and all registrations.
